Electronic Data Inc. and the Tampa Bay Area

Driving Directions

From Tampa International Airport

Tampa International Airport (TPA) is approximately 15 miles east of Carillon. Served by most major air carriers, the airport is consistently rated as one of the finest in the world.

All arrival and departure gates at TPA are located at airside terminals connected to the airport's central hub by shuttle trams. After you deplane, the shuttle will take you to the central hub where you can board escalators or elevators to the ground floor baggage claim area. Rental car agencies, airport limos and taxis are also located on this level.

Many hotels and resorts provide complimentary transportation to and from the airport. The airport limo fare between the airport and EDI is approximately \$13 each way, while taxis generally cost \$25 each way. For airport limo reservations, call The Limo at 727-572-1111.

To get from TPA to EDI by car, exit the airport and follow Interstate 275 South toward St. Petersburg. You will cross the Howard Frankland Bridge and then turn right on Exit 31, which is Ulmerton Road. Go approximately one mile on Ulmerton Road to the second traffic light. Turn left at the traffic light into the Carillon office park. You will turn right on Carillon Pkwy and continue until you see Building Number 780.

From St. Petersburg-Clearwater International Airport

To get from the St. Petersburg-Clearwater International Airport to EDI by car, take a left at the airport exit and follow Roosevelt Boulevard southeast toward Tampa. Drive in the left lane onto the overpass where Roosevelt crosses and then merges into Ulmerton Road. Continue approximately one and a half miles west on Ulmerton Road, in the middle or left-hand lane, through two traffic lights and under an overpass. Turn right at the third

traffic light into the Carillon office park. You will turn right on Carillon Pkwy and continue until you see Building Number 780.

From Sarasota on Interstate 275

From Sarasota, take Interstate 75 North to Exit 228. This takes you over the Sunshine Skyway Bridge and to Interstate 275. Stay on Interstate 275 heading north (about 15 miles) to Exit 30 West (State Road 686 – Clearwater/Largo, old Exit 16). This road exits to the right, before the Howard Frankland Bridge. Veer left onto the overpass. The entrance to the Carillon office park is on the right at the first traffic light (28th Street). Once inside the park take the first left and follow the road around to building 780.
